

Wicket Facial Ticketing

Easy Enrollment

1

Fan clicks link in team app, email, or website

2

Fan uploads a selfie

3

Fan opts in and links Tickets.com account

4

Fan walks up to Wicket Entry, redeems tickets

The Wicket facial authentication platform enhances fan, guest, and employee experiences by enabling frictionless touchpoints that delight users and strengthen security for live events and facilities. Wicket pairs a fan's face with their Tickets.com account for faster venue entrance.
